ABOUT FUSION

Fusion is a Christian youth and community organisation that emerged as a creative response to socially-at-risk young people in Australia over 50 years ago.

Still keeping this focus Fusion sees the importance of a healthy and caring community to nurture each new generation. Fusion is therefore involved in extensive community work in Australia and beyond. Fusion's services focus on community building and helping people find a sense of purpose.

Today Fusion has 18 teams and centres around Australia and supports the development of other Fusion work in countries such as Greece, Albania, Nigeria, South Africa, Ghana, Indonesia, South Asia, Jamaica, the UK and Canada.

THE CHARITY MOBILE PLAN

The Charity Mobile Plan is powered by a great partnership between Network Communications and Optus.

You can get the latest mobile phone, be on the best plans Optus has to offer, keep your existing mobile number and support Fusion financially at the same time!

HOW YOU CAN MAKE A DIFFERENCE

Fusion Australia works on the frontline of youth issues.

Fusion are supporting local young people through programs in schools that change lives.

Everyday there are thousands of young people who are alone and left out during lunchtime. Others are bullied.

Fusion believes that no young person should deal with these issues alone and runs a variety of programs that give hope and a future to these troubled teens.

"I experienced another side of, not just life, but 'ME'! I learned about love, sharing, caring and I most enjoyed learning to put aside my problems for others and seeing the change."
